SPC, Tech Prep to host Career Expo on Oct. 20

LEVELLAND – South Plains College and Tech Prep will host the Career Expo from 8:30 a.m. to 1 p.m. at the Lubbock Memorial Civic Center on Oct. 20.

The Career Expo will expose high school juniors and seniors to various educational and career opportunities in our region.

The Expo will inform students of post-high school education requirements for careers in the workplace/industry, programs, degrees, certificates, scholarships and deadlines affiliated with the student's higher education program.

Last year, more than 500 business and college representatives filled the Civic Center Exhibit Hall and concourse with interactive displays, games, group presentations, prizes and information. More than 3,000 students, teachers and counselors are expected to attend the expo this year.

For more information, call Jill Berset, executive director of South Plains Tech Prep, at 806-716-4688.
