South Plains College to host TJCSGA Region 1 Convention Oct. 23-24

LEVELLAND – South Plains College will host the Texas Junior College Student Government Association Region 1 Convention Oct. 23-24 in the Student Activities Center. The two-day convention will feature 125 representatives from 13 colleges.

According to Sergio Silva, president of SPC Student Government Association, hosting the convention is a feather in the college's hat.

“It is really a privilege to host this event at SPC,” Silva said. “It is important that representatives from the various schools get together to discuss issues that are common on our campuses and impact our student bodies.”

The two-day event will include a guest speaker, two general assemblies, entertainment including a dance, movie night, pool and ping pong as well as three breakout sessions on the second day of the convention.

For more information, contact Silva at (806) 891-8860.
